FILE : 14-5-21 :SF:DT (o:\council & committee meetings reports\ccec reports\2016 meetings\11 may\yaizu pre-visit 40 year anniversary-apr16.doc)

# 1. INTRODUCTION

1.1. The purpose of this report is for the Council to consider a proposed Council delegation to Yaizu, Japan in August 2016.

# 2. BACKGROUND

- 2.1. In October 2015 the Mayor of Yaizu, Mr Hiromichi Nakano visited Hobart to meet with the Lord Mayor Alderman Sue Hickey to discuss opportunities to mark the 40<sup>th</sup> anniversary of the Council's sister city relationship with Yaizu, including the potential for a Yaizu delegation to visit Hobart in January/February 2017.
- 2.2. Following the visit, Yaizu has advised that they intend to send 30 people to Hobart from Yaizu to conduct activities to commemorate the anniversary in February 2017.
- 2.3. At its meeting held on 25 January 2016, the Council resolved the following:

"That the Council consider the following opportunities to mark the 40<sup>th</sup> anniversary of the Hobart-Yaizu Sister City relationship, as identified through consultation with the Hobart-Yaizu Sister City Committee, including:

- 1. The Lord Mayor undertaking a pre-visit to Yaizu before the anniversary, possibly in September 2016 combined with a visit to China, with Council to consider other Aldermen who may wish to nominate to attend the trip in accordance with the Council's policy regarding international relationships, or alternatively, other Aldermen attending the trip as a member of the delegation, at their own cost;
- 2. The Council receiving and hosting a formal delegation from Yaizu in February 2017 that would include a range of celebratory activities, at a cost of approximately \$20,000, with funding to be included in the City Government - Ceremonial Support - Sister City Visits item in the 2016/2017 Annual Plan;

- 3. The Council commencing planning to send a small delegation to Yaizu in August 2017 to commemorate the 40<sup>th</sup> anniversary, which would include the presentation of an appropriate gift. This delegation would include:
  - (i) Aldermanic representation (composition to be the subject of a further report closer to the time of the delegation) at an estimated cost of \$6,720 per person;
  - (ii) The Council funding two Sister City Committee members, Mrs Fumiko Plaister (Founding member) and Mrs Yukiko Burns (Interpreter), at an estimated cost of \$3,420 each, to accompany the delegation;
  - (iii) Two Council officers, as determined by the General Manager, accompanying the delegation, at an estimated cost of \$3,420 each. One of the Council officers being responsible for providing support and assistance to Mrs Plaister; and
  - (iv) Interested individual members of the Hobart-Yaizu Sister City Committee and or members of the Australia Japan Society, Tasmania being invited to join the delegation on a self-funded basis."
- 2.4. This report is specifically dealing with paragraph number one above, relating to a potential planning visit to Yaizu prior to the anniversary celebrations.
- 2.5. Subsequent to this resolution, due to changing circumstances, the China visit in conjunction with a State Government delegation that was originally proposed for August/September was moved to April 2016. The Council did not participate in this visit to China.
- 2.6. Officers have therefore developed details for a proposed visit to Yaizu in August 2016 that does not include a visit to China.
- 2.7. Advice from Yaizu proposes a visit that includes the period 12 to 14 August 2016 which would be optimal as it would coincide with the *Ara Matsuri* Festival.
- 2.8. A report detailing a proposed International Relations Strategy was presented to the Economic Development and Communications Committee on 28 April 2016. One of the recommendations in the report was the following:

"That the Council authorise an amendment to policy 1.01 (Aldermen -Entitlement and Benefits) to permit Aldermen to participate in two international delegations or more if deemed appropriate by the Council in a four year term, rather than the stated 'one or more'."

- Page 9
- 2.9. This recommendation was endorsed by the Committee and will be considered by the Council at its meeting on 9 May 2016.
- 2.10. While the intent of the Council decision of 25 January 2016 does suggest additional Aldermen would need to self-fund if they are interested in participating, the intention of Aldermen is drawn to the fact that Council policy does allow for Aldermen to participate in a sister city visit and be funded by the Council.

# 3. PROPOSAL

- 3.1. It is proposed that the Council consider the Lord Mayor and possibly other Aldermen undertake a pre-visit to Yaizu before the anniversary from Thursday 11 August to Monday 15 August 2016 to finalise arrangements for the celebrations in 2017, including that:
  - (i) The Council fund a Hobart-Yaizu Sister City Committee member, former Lady Mayoress Mrs Fumiko Plaister (Founding member) for her accommodation and breakfasts (four nights) and transfer from Tokyo to Yaizu at an estimated cost of \$1,000.
     Mrs Plaister would travel as an individual and pay and arrange for her own air travel and depart Japan at a later date;
  - (ii) The Council fund an Interpreter for the Lord Mayor at an estimated cost of \$2,700 to accompany the delegation. This would cover flights, transfers, accommodation and breakfasts;
  - (iii) The Council fund Council officers, as determined by the General Manager, to accompany the delegation at an estimated cost of \$2,700 per person. One Council officer would be responsible for providing support and assistance to Mrs Plaister; and
  - (iv) Other Aldermen may wish to join the delegation.

# 4. STRATEGIC PLANNING IMPLICATIONS

FILE : 21-50-12 :LW:DT (o:\council & committee meetings reports\ccec reports\2016 meetings\11 may\ccec\_fees&charges 16-17.doc)

# 1. INTRODUCTION

1.1. This report presents the proposed fees and charges for the Community Development Division for the 2016/2017 financial year except for the Function areas of City Marketing and the Tasmanian Travel and Information Centre, as they were reported through the Economic Development and Communications Committee at its meetings held on 24 March and 20 April 2016, and The Taste of Tasmania as this is subject to a separate report on this agenda.

# 2. BACKGROUND

#### 2.1. Youth Arts and Recreation Centre

The hire rates for the Youth Arts and Recreation Centre have remained unchanged for the 2016/2017 financial year.

The Centre provides its use free of cost for most youth organisations or for activities for young people during working hours, when staff are on hand.

Outside of normal business hours the hire charge rates are on a full cost recovery model, including costs for two security guards, two staff members as well as use of all audio and lighting equipment for all events within the Centre and are based on a four hour minimum hire.

The security bond charge has not been increased as the amount is sufficient to cover contingencies that may arise from hire.

Revenue from tenancy agreements has increased overall, including income from Music Tasmania, Department of Education and Phoenix Danze Group.

#### **Budget Summary**

The income through rental hire at the Youth Arts and Recreation Centre is expected to remain unchanged through fees and charges, however there will be an increase to the overall income from hire agreements with the Department of Education for Ed Zone, Phoenix Danze School hire of the dance studio and income from Music Tasmania.

#### 2.2. Mathers House

Hourly rates for casual room hire has been increased by an average of three per cent with the rates for regular usage and community usage remaining unchanged.

The hire fees are for the private and commercial hire of Mathers House for usage that is unrelated to the core activities of the Centre.

The security bond charges have not been increased in 2016/2017.

#### **Budget Summary**

Income for Mathers House is anticipated to increase by 42.86 per cent due to a significant increase in the usage of the facility.

#### 2.3. Criterion House

Hourly rates for casual room hire has been increased by an average rate of four per cent with the rates for regular usage and community usage remaining unchanged.

#### **Budget Summary**

Income for Criterion House is anticipated to increase by seven per cent due to a slightly higher level of usage.

#### 2.4. Cultural Development

#### **Budget Summary**

The City of Hobart Art Prize will not be held in 2016. A Town Hall sesquicentenary Design Prize will be offered in 2016 with the entry fee being \$40 per entry. It is anticipated that the prize will attract approximately 50 entrants, with a total predicted income of \$2,000.

#### 2.5. The Taste of Tasmania

The operational model (including income generation measures) for The Taste of Tasmania (including Kids in the Park), is subject to a separate report attached to this agenda.

### 2.6. Salamanca Market

In accordance with the revised Salamanca Market Stallholder Licence approved by the Council on 1 January 2013, site fees were adjusted by the Council for the 2013/2014 financial year following a formal valuation of site fees taking into account a submission from the Salamanca Market Stallholders' Association Inc (SMSA), current trading conditions at the Market, general retail activity in the Hobart context, and general commercial rentals in Hobart. Accordingly, site fees for 2016/2017 have been adjusted by 0.85 per cent in line with Stallholder Licence Clause 37(b), which stipulates that for non-valuation years, fees will be "indexed to the most recent available twelve month change in Consumer Price Index (All Groups - Hobart -December Quarter) published by the Australian Bureau of Statistics."

Clause 37(c) of the Stallholder Licence stipulates that, "all other Fees and Charges set by the Council will be indexed from 1 July each year to the most recent available twelve month change in Consumer Price Index (All Groups - Hobart - December Quarter) published by the Australian Bureau of Statistics". Accordingly, Transfer of Licence fees will be adjusted by 0.85 per cent.

Notwithstanding the above, Clause 39 of the Stallholder Licence states that, "fees and charges which constitute cost recovery for goods or services, the cost of which is beyond the Council's control (including but not limited to insurance and electrical supply), will be set by the Council at 1 July each year to meet the reasonable cost of providing these good or services."

In line with the Stallholder Licence, the Council carries public and product liability insurance policies on behalf of both casual and licensed stallholders, and levies a weekly charge payable by stallholders to recoup this cost.

The public and product liability insurance levy has also been increased by CPI as no significant increase in the insurance market for these policies is expected.

Power charges have also been increased by 3 per cent in line with market expectations.

The unit price of table hire has increased from \$6 to \$7 to incorporate costs for labour around this resource.

#### Stallholder Discount Rates

Clause 44 of the Salamanca Market Stallholder Licence states that, "Site fees and other fees are payable within thirty (30) days from date of invoice, in the following manner:

- (a) Twelve (12) months in advance at a discount to be determined by the Council from time to time;
- (b) Six (6) months in advance at a discount to be determined by the Council from time to time;
- (c) Quarterly in advance at a discount to be determined by the Council from time to time; or
- (d) Monthly in advance (full payment required)."

The following 2016/2017 (rounded off) discount rates remain the same as the 2015/2016 figures as defined by the Salamanca Market Stallholder Licence

|            | Proposed<br>2016-2017<br>Stallholder<br>Discount<br>Rates | Rounded<br>Figure | Annual<br>2016-2017<br>Stallholder<br>Savings | Cost to<br>Council |  |  |
|------------|---|-------------------|---|--------------------|--|--|
| Monthly    | 0%  | 0%                | 0%  |                    |  |  |
| Quarterly  | 0.14%   | 0.15%             | \$1,126.83                                    | \$1,777.47         |  |  |
| Biannually | 0.94%   | 0.95%             | \$59.05                                       |                    |  |  |
| Annually   | 1.96%   | 1.95%             | \$591.59                                      |                    |  |  |

This proposal seeks to comply with the provisions of the Licence while minimising the negative financial impact on the Council estimated at just under \$2,000.

#### **Budget Summary**

The Salamanca Market budget it is projected will increased by 1.58 per cent due to CPI increases in site fees and the increase of tables and electricity charges.

  - 2.11.1. These unsuccessful applicants will also be advised that they can contact the relevant Cultural Programs, Community Development or Events officers for assistance in developing their project in order to resubmit in a future grant round.

#### **Community Grants Applications**

- 2.12. There were 17 applications received for the Community Grant stream requesting a total amount of \$59,504. This included six applications that were deemed to be ineligible under the guidelines for various reasons.
- 2.13. The applications were diverse and there was strong community benefit acknowledged by the panel for several programs / projects that are not recommended for funding. The panel is supportive of some of these applicants being contacted by Council officers to provide advice on how their applications could be strengthened in order to apply in the next round.
  - 2.13.1. The applications were requesting a total of \$59,504. The allocated budget for this round was \$34,600. The panel recommended funding for seven projects. This equates to a 64 per cent success rate when the ineligible applications are excluded.

    - 2.13.2.1. Three applications were subsequently assessed by the Community Assessment Panel and were recommended for joint funding in conjunction with the Creative Hobart medium grant stream.
    - 2.13.2.2. An application under the Creative Hobart medium grant stream was also considered to be more relevant in the Community Grant stream and this was assessed by the panel and recommended for partial funding.

2.13.2.3. An application from the Malaysian Student Festival for an Event Grant was considered to be more appropriate for a Community Grant and this is recommended for funding through the Community Grant stream.

The allocated budget for this round was \$35,142 which permitted the panel to recommend only two grants for full funding and three grants for co-funding. This included one grant that is recommended to be partially funded to 50 per cent of the requested amount. This success rate equates to 31 per cent of eligible applications.
    - One application that was unsuccessful in the Creative Hobart round was subsequently recommended for partial funding thorough the Community Grant stream.
    - (iii) One small grant application was received requesting a total amount of \$1,258. The allocated budget for this round permitted the panel to recommend this grant for funding.
    - (iv) The assessment panel discussed the high standard of applications received in the medium round in particular. # 1. INTRODUCTION

1.1. This report contains recommendations for the revision of Event Partnerships Guidelines attached to the Council's policy titled *Applications for Grants - Community Development Division*, following the first round of the Event Grants Program, which took place in February 2016.

### 2. BACKGROUND

- 2.1. At its meeting held on 21 December 2015, the Council endorsed the inclusion of Event Grants to the Community Development Grants Program.
- 2.2. A grant round comprising Creative Hobart, Community and Event Grants was held in February 2016 with the successful grant recommendations due to be presented to the Council on 23 May 2016.
- 2.3. This was the first Grant round to use the SmartyGrants application system.
- 2.4. This Grant round is due for review following approval of the proposed recommendations, however the upcoming Event Partnerships round will open prior to this formal review taking place.
- 2.5. Accordingly, the proposed amendments required include additional items in the Assessment Criteria and Assessment Process, which have been based on learnings from the initial Event Grants process held in April.
- 2.6. It is considered that while generally the processes associated with the first Event Grants round worked well; there were a few areas where amendments to the guidelines are seen as necessary to 'fine tune' the application and assessment process.

- 2.7. Proposed amendments to the Event Partnerships guidelines attached to the Council's policy titled *Applications for Grants Community Development Division* include updating the Assessment Criteria to include requirements relating to the provision of quantitative information and two additional criteria: Key Personnel and Budget.
- 2.8. Further amendments have been included in the Assessment Process to provide greater clarification around this procedure. All of the abovementioned amendments are shown in revision format as shown in Attachment A to this report.
- 2.9. These changes will allow the assessment panel to apply more rigour around the assessment of the applications for future rounds.
- 2.10. It is intended that a full review of the Community Development Grants Program will still be conducted on the completion of the February 2016 Grant round, and these proposed amendments to the Event Partnerships guidelines will inform this upcoming review.

# Introduction

The City of Hobart Event Partnerships Program provides financial assistance for a range of events which are held in the City of Hobart area and which provide benefits to both the local and wider community.

The City of Hobart supports events which enhance community identity; encourage accessibility and community participation; support and enhance the cultural life of Hobart; celebrate cultural diversity; deliver economic benefits through increased visitation and promotion; and enhance the reputation of the City of Hobart as an attractive tourist destination.

The Event Partnerships Program provides single and multi-year funding for organisations delivering major annual events that enhance the City of Hobart's local, national and international reputation.

Through this program, the City of Hobart is keen to build genuine partnerships with organisations to assist in delivering its vision for Hobart as a vibrant city with a distinctive character. Successful partners will be required to provide meaningful and thorough event related information in their application and post-event as part of their acquittal and as such adequate budget will need to be set aside for event research to enable the provision of this information. As part of the application, organisations will be required to show how they meet the criteria and what outcomes their event will bring to Hobart through this information.

The Event Partnerships program will also allow negotiation, prior to the application, to occur between Council and the applicant regarding outcomes for the City particularly in line with any current focus and strategic direction being undertaken by Council. The City of Hobart aims to build and maintain constructive relationships working closely with successful applicants to foster mutual outcomes and genuine benefits for the City. This funding program is looking to develop real partnerships with event organisations to the benefit of Hobart with the aim to improve community experience and enjoyment, enable events to be staged throughout the City and enhance the quality and variety of events hosted in Hobart.

The Event Partnerships program supports events which enhance the vibrancy of the City and add value to the City of Hobart brand. Events supported in this program will generate significant media outcomes and provide economic benefits and promotional opportunities and draw visitors from the Hobart region, intrastate and interstate.

# **Strategic Plan and Vision**

Our vision for 2025 (from the Capital City <u>*Strategic Plan 2015-2025*</u>) is that Hobart will be a city that:

- ▼ Offers opportunities for all ages and a city for life
- ▼ Is recognised for its natural beauty and quality of environment
- ▼ Is well governed at a regional and community level
- ▼ Achieves good quality development and urban management
- ▼ Is highly accessible through efficient transport options
- ▼ Builds strong and healthy communities through diversity, participation and empathy
- ▼ Is dynamic, vibrant and culturally expressive

# **Event Partnerships Guidelines**

These guidelines outline eligibility and assessment criteria and the assessment process for the Event Partnerships program. All applications must comply with these guidelines.

The City of Hobart may elect to target specific outcomes within the assessment criteria and will redistribute assessment weightings accordingly. This will be notified in advance on the Grants website as the 'Key Criteria' for each round. Where there are no Key Criteria, all criteria will be evenly weighted.

The Assessment Panel will comprise of an external representative and Council officers. The panel will assess each application on its merit, against the assessment criteria and will be scored and assessed according to the criteria.

Through assessment the application may be recommended for partial funding (cash or inkind). This decision is carefully considered with the view of maintaining the integrity of the proposal.

Any lesser financial assistance by the Council will involve consultation with the applicant at the time of a Grant Offer being made.

As part of the assessment process, the Council may consult with an applicant regarding possible modifications to their proposal which would address more appropriately the Council's strategic objectives.

The City of Hobart reserves the right to reject any application that does not meet the eligibility, qualification and/or evaluation criteria. The City of Hobart also reserves the right to request further information in considering any application. If the Panel requires

While the same criterion applies to all applications, the weighting given to each varies as outlined in the table below.

# **Recommendations to Council**

The Panel will make recommendations to the City of Hobart's Community, Culture and Events Committee as to which applications should receive funding based on the assessment process. The Committee will then approve the recommendations and/or makes amendments to the recommendation that will then go to Council for approval.

It should be noted that the report detailing the recommendations for funding will be on the open agenda of the City of Hobart's Community, Culture and Events Committee. The full application is not available, but brief details of all applications including: applicant name, amount requested, amount recommended for approval (for successful applicants), a brief outline of the project, a brief summary of the feedback from the panel, are available.

The decision of Council regarding funding outcomes is final.
