Tiny Footprints <i>21/4/2018</i>	<i>The Great Cloth Diaper Change</i> The Great Cloth Diaper Change is an annual event that has been running for the past eight years. The aim of the event is to create awareness about the environmental benefits of using re-usable nappies rather than disposable nappies. It is also a great way for similar minded parents to meet and offer support and advice for parents wanting to use cloth nappies. This year the event attempted to break the Guinness World record for the most Cloth Nappies changed within a 24 hour period by having every host do their change at 11am.	Community	\$500	5/4/2018

Constance Artist-Run Initiative (Constance ARI) <i>12/5/2018</i>	<i>Raw Form</i> “Raw Form” is an evening of art and performance presented in the disused Powder Magazine on Hobart’s Queens Domain, featuring work of local, interstate and international artists. “Raw Form” explores the link between individual identity and connection to place, with a focus on the work of LGBTIQ+ artists and perspectives. This project shines light on processes of self-exploration undertaken by individuals, a process particularly poignant for LGBTIQ+ individuals, in order to achieve an understanding of absolute self.
