Dr Katrena Stephenson  
Chief Executive Officer  
Local Government Association of Tasmania  
GPO Box 1521  
HOBART TAS 7001

Dear Dr Stephenson

I am writing to provide the Local Government Association of Tasmania (LGAT) with the opportunity to comment on the enclosed draft Local Government (General) Amendment Regulations 2018 (Amendment Regulations).

In November 2017, the Department of Premier and Cabinet's Local Government Division sought initial comment from the sector on proposed changes to the *Local Government (General) Regulations 2015*, following amendments brought about by the *Local Government Amendment (Targeted Review) Act 2017*.

The consultation supported the majority of proposed amendments, which have been drafted in response to sector feedback. The key amendments proposed are:

1. The introduction of a gifts and donations register as per the new Part 5A of the *Local Government Act 1993*.
2. Amendments to regulation 21 to remove the requirements prescribing poster size and number.
3. Amendments to regulation 22 to remove the restrictions in regard to limitations on television, radio and newspaper advertising.
4. Amendments to regulation 22 to remove two separate electoral expenditure limits, replacing these with a single expenditure limit of \$10,000 for a candidate, regardless of whether they are running for mayor or deputy mayor or councillor. This amount will be increased each year by CPI.
5. Amending the Declaration of Office such that elected members are required to engage in ongoing professional development and abide by the principles of good governance.

### **Amendments to regulation 21 and 22 – posters and television and radio**

The draft Amendment Regulations include additional proposed amendments to regulation 21 and 22 to remove restrictions that are considered unnecessary. It is noted that these proposed changes are consistent with previous feedback from the sector.

The limits regarding radio and television have been removed, allowing candidates greater flexibility in terms of campaigning, provided that any spending is within the new expenditure limit of \$10,000.

The restrictions the Regulations currently impose in relation to poster size have been proposed as unnecessary, especially in light of planning schemes, which may conflict with the current regulation 21 and cause confusion for candidates.

## General

The Amendment Regulations will be supported by detailed Guidelines and there may be consequential amendments to the *Local Government (Model Code of Conduct) Order 2016* as required, to ensure consistency across both instruments, particularly in relation to compliance matters. The sector will be consulted on any proposed amendment to the Model Code of Conduct, as part of the wider review of the Code of Conduct framework.

With local government elections to be held in October 2018, it is prudent that the amendments are finalised well in advance, so that persons nominating for election are fully aware of their obligations.

Please provide any comments on the draft Amendment Regulations in writing, either by email to [lgd@dpac.tas.gov.au](mailto:lgd@dpac.tas.gov.au) or post to:

Local Government Division  
Department of Premier and Cabinet  
GPO Box 123  
HOBART TAS 7001

The submission must be received by close of business on **Friday 1 June 2018**. This date is based on commencing consultation on or before **26 April 2018** in accordance with the *Statewide Partnership Agreement on Communication and Consultation*, and to allow LGAT to seek the view of its members.

### Important information to note

All submissions will be treated as public information and will be published on DPAC's website once consideration of the submissions has concluded. However, if you wish your submissions to be treated as confidential, whether in whole or in part, please note this in writing at the time of making your submissions, and clearly indicate which parts of your submission are confidential, and advise the reasons as to why.
