To the Lord Mayor, Aldermen and the General Manager of the Hobart City Council, the petition of the undersigned is submitted for your attention.

## State the subject matter:

That the City of Hobart support Gellibrand Bridge as the new name for the new bridge across the Tasman Highway as Major General Sir John Gellibrand was a true Tasmanian, honoured in both peace and war for his contribution both to the war effort having served at Gallipoli and on other fronts and for having been a significant community man in Tasmania for over 50 years. We your petitioners seek this instead of a generic name such as Remembrance Bridge believing that this man typifies the gallantry and bravery of all service men and women and of the families they left behind

## State the action sought by the petitioners:

That the Council resolve that an application be made to the Nomenclature Board for the new bridge to be named Gellibrand Bridge .....

To the Lord Mayor, Aldermen and the General Manager of the Hobart City Council, the petition of the undersigned is submitted for your attention.

## State the subject matter:

That the City of Hobart support Gellibrand Bridge as the new name for the new bridge across the Tasman Highway as Major General Sir John Gellibrand was a true Tasmanian, honoured in both peace and war for his contribution both to the war effort having served at Gallipoli and on other fronts and for having been a significant community man in Tasmania for over 50 years. We your petitioners seek this instead of a generic name such as Remembrance Bridge believing that this man typifies the gallantry and bravery of all service men and women and of the families they left behind

## State the action sought by the petitioners:

That the Council resolve that an application be made to the Nomenclature Board for the new bridge to be named Gellibrand Bridge .....
