Mr Mark Painter  
City of Hobart Council  
GPO Box 503  
HOBART TAS 7000

Dear Mr Painter,

Thank you for consulting with the Department of State Growth regarding upgrades to the bus shelters on the Hobart General Post Office (GPO) side of the Elizabeth Street Bus Interchange.

As a stakeholder to the upgrade project, I advise that the Department is supportive of the proposed upgrades. These changes should meet the needs of passengers by increasing seating and shelter, while still being sensitive to the heritage values of the GPO and increasing the amenity of the interchange for all passengers.

We have appreciated being involved in their project from the conception state to the design phase of the shelter upgrades and look forward to further involvement during the implementation phase.

If you require further information in relation to this matter please contact Christian Goninon by email at [Christian.Goninon@stategrowth.tas.gov.au](mailto:Christian.Goninon@stategrowth.tas.gov.au) or telephone on 6166 4474.

Yours sincerely

Nicole Trounce
