The General Manager  
Hobart City Council

18 February 2019

Dear Nick Heath,

In accordance with Section 59 of the *Local Government Act 1993* we are providing you with an electronic petition requesting the Hobart City Council to hold a public meeting regarding the proposed kunanyi / Mt Wellington cable car by the Mt Wellington Cable Way Company. Consistent with Section 59 (2), the petition contains more than 1123 signatures from electors in the Hobart Municipal area. The accompanying document lists 1521 people who have signed the petition.

The electronic petition attached includes the full name and address of the persons who have signed the petition.

The petition is being lodged by Mr Edward Cutlan of 69 Jubilee Rd. South Hobart 7004

I also confirm that the subject matter and the action requested, as set out at the beginning of the petition, has not been changed. The petition wording is set out below.

Dear Hobart City Council,

We the electors of Hobart call on the Hobart City Council to hold a Town Hall Meeting in accordance with Section 57 of the Local Government Act. We request that the Hobart City Council hold this meeting upon receipt by the Hobart City Council of a development application from the Mt Wellington Cableway Company.

We request that this public meeting includes representatives of both the Hobart City Council and the Wellington Park Trust.

We are mindful of the cost associated with holding a meeting such as this and would therefore see no objection to the meeting being held at the same time and venue as the public meeting requested by the group Hobart not High-rise.

Regards,

Ted Cutlan  
Residents Opposed to the Cable Car Inc.
