St John's Presbyterian Church's Vision for the use of our buildings

Our building is to be an inviting space in which all people from all generations and nationalities can openly gather together to pray, learn, eat, and connect.

We want children to feel welcome and safe; and we want to communicate to the citizens of Hobart that we do not simply exist for ourselves – we are followers of Jesus who value our heritage, embrace our contemporary place in the city, and seek to serve the people of Hobart.
