

Minister for State Growth

Macquarie Point Development Corporation Board

Hobart City Council

Consultation phase 3

Minister for State Growth

Macquarie Point Development Corporation Board

Commission

Minister to give to the MPDC Board, TasWater, TasPorts and relevant agencies a copy of the proposed planning amendments
28 days to make representations

28 days to make representations

21 days after the last day of the consultation, Minister to provide the Commission with the proposed amendment and a copy of the submissions received

Commission may:

- advise that the proposed amendment furthers the objectives set out in Schedule 1 of LUPAA; is consistent with any applicable State Policy; and is consistent, as far as practicable, with the Southern Regional Land Use; OR
- provide advice as to the amendments required to meet those requirements.

Minister may approve planning amendments and is to provide a copy to the Commission

Minister to give notice in the *Gazette* and notify the planning authority (HCC) that amendments are made
As soon as practicable

Commission to make the planning amendments and notify the Minister when complete
14 days (or longer as permitted by the Minister)
