Petition

Date: 23-5-2019

To the Lord Mayor, Elected Members and the General Manager of the Hobart City Council, the petition of the undersigned is submitted for your attention.

Subject matter:

BAN THE SMOKING BAN IN THE CBD

The action sought by the petitioners:

As a non-smoker working in the hospitality industry and a rate payer within the CBD, I am deeply aware and concerned by the enormous immobilising impact this will have on a number of business's in the CBD which is the epicentre for workers, tourists, shoppers, etc.

The hospitality industry will suffer greatly and so will people who work in the CBD.

Hospitality industries rely on customers that have a beverage after work and there are many people that smoke whether they are a smoker or a social smoker. If people are unable to do this they will go elsewhere, jobs will be lost and small businesses will close. Causing a disadvantage in the CBD unlike the business's in Salamanca.

People who work in the CBD will also suffer as they will not be able to smoke during their break and shoppers who smoke will be deterred from coming into the CBD knowing they can't go anywhere for a cigarette when they need to.

Hobart does not have the population as it is to support small business, many are already struggling and closing down. Hobart City Council should have consultation with The Small Business Association and The Tasmanian Hospitality Association to correctly understand the impact on all businesses.

Hobart City Council have said they would allow around \$70,000 a year for an enforcement officer, this officer wouldn't be monitoring 24 hours 7 days a week, so councillors have suggested Police and other organisations enforce the ban. Tax payers money could be spent better elsewhere in the community e.g. health system, parks, child services, homeless, etc.

It appears that no thought or consideration has gone into the decision proposed by Hobart Councillor Helen Burnet and supporting officers. The people of Hobart have not voted for the decision to ban smoking from Hobart CBD.

Tobacco is a legal product and people are being victimised from an addiction they cannot control, people who smoke are aware of the negative effects of their smoking. Banning smoking will not stop people from smoking, they will either ignore the ban or smoke elsewhere. Smokers are socially conscious, rarely do you witness people walking down the street with a cigarette in hand, most are already hiding in a laneway or sitting on a bench.

It would be far more appropriate to provide smokers with a designated space where there would be no impact on non-smokers instead of punishing them like criminals for an addiction beyond their control.

There are already appropriate places where smoking is banned in and around the CBD, there is no need for Hobart City Councillors to use a heavy hand to enforce a ban on smoking in the CBD.

We would like Hobart City Council to reject the proposed plan to "Ban Smoking In The CBD".

Nicole Quinn	Australia	2019-05-01	Everybody has a choice
Wendy Viney	Glenorchy, Australia	2019-05-01	Choice is a must Everyone has the right to chose
steven rider	Australia	2019-05-01	This has gone too far. I understand that cigarette smoke is a bad smell to a non-smoker. I fully support the ban in shopping centers and even pubs and clubs etc. But they are areas with limited ventilation and non - smokers shouldn't have to put up with that. 10 or 15m no smoking zone from open doorways into public areas/shops is a perfect fix. Think that's already done? If you do gooders keep going with silly over the top blanket bans like this our quality of life will get lower and lower. Whats next? Ban anything with an engine in public because its exhaust smells bad? Once that is done you could start banning anything that emits a sound that someone doesn't like. Then you could move on to banning a colour that someone doesn't like. Stop. You have lost your grip on reality.
Geoffrey Johnson	Hobart, Australia	2019-05-02	Smokers have rights too. I feel that this has become a discriminatory issue. All other life choices are respected, from fast food to cosmetic surgery. Ban the ban!
Perrie Hall	Hobart, Australia	2019-05-02	I work in the CBD and my go to pub is in the banking area
Laurn Oliver	Hobart, Australia	2019-05-02	A smoking ban is impractical, just have better marked smoking areas if you're worried about people smoking everywhere. Not everyone is disrespectful of signs.
robert goyne	Australia	2019-05-02	i believe whilst smoking is not good banning smoking in the cbd is an over the top reaction ...
Stacey Wells	Australia	2019-05-02	It's ridiculous

Kaylene Batge	Lutana, Tasmania, Australia	2019-05-02	Kaylene Batge, I work in the CBD, I don't have time to walk 15 minutes away to have a smoke at lunch and walk 15 minutes back to work. How about the council monitor the fumes from traffic in Macquarie Street at peak hour before picking on smokers!
Connor Minnucci	Hobart, Australia	2019-05-02	The banned is as stupid as mav
amy burnett	Australia	2019-05-02	I am a smoker my self and I don't feel that we should have to go to somewhere we don't want to be to socialise because we can't smoke at our favourite venues!!!
Tarz Jones	Hobart, Australia	2019-05-02	Should be allowed to smoke in the CBD hobart
Holly Dutton	Australia	2019-05-02	It's bullshit

Kyla Davidson	Australia	2019-05-02	It isn't illegal to smoke and this will ruin a lot of business in the cbd
Rachael Birt	Blackmans Bay, Australia	2019-05-02	Because smoking isn't illegal and if there are designated areas there shouldn't be a problem.
Daniel Streets	Pyongyang, Australia	2019-05-02	Ivory smoko rip
Aly Shea	Australia	2019-05-02	I think the smoking ban will damage businesses. Ban smoking all you want, people aren't going to stop unless they want to. They will just go elsewhere to smoke.
Shannon Wright	Australia	2019-05-02	I've never deliberately blown smoke in anyones face. Always turn away and move my smoke out of the way. Deal with the real issues we have thanks.
Bailie Webber	Melbourne, Australia	2019-05-02	I'm signing because I think it will affect people's jobs and work place
Brooke Moloney	Hobart, Australia	2019-05-02	I love ivory it's my favourite place to go when I'm on a night out and I'd hate for there to be no place to smoke near there as I'm a smoker myself and like to go out for a smoke break after I have a few drinks and a dance. So hopefully this petition makes it so all smokers can still smoke when we are there 💎

Hayley Faulkner	rokeby, Australia	2019-05-02	I agree with all that the post says, it will just deter smokers from going to the city to spend their money.
Tammy clay	Hobart, Australia	2019-05-02	I fully agree, and as a smoker I wouldn't come into the CBD unless I needed to... Smoking is legal and the government wants to ban it yet illegal drug users are provided with rooms to inject?? Go figure..

Tracey Kendrick	UK	2019-05-02	I don't smoke ,but go to this club , great place no fights and everyone is friendly , great people trying to run a business and entertain people , doing this will close a lot of business , smoking a choice but if you stop smoking in the cb will close a lot of business.....

Annalise Knight	Aspendale, Australia	2019-05-02	people should have the option
Jay Harback	Hobart, Australia	2019-05-02	It's bullshit
Jacqueline Woolley	Hobart, Australia	2019-05-02	The City of Hobart should be encouraging people to shop in the city not discouraging valuable shoppers. Tobacco is a legal substance and shoppers and workers should not be discriminated against because of their addictions . There should be designated places to smoke cigarettes.

jen smith	gagebrook, Australia	2019-05-13	Im a non smoker but use to be a smoker but why ban the whole of hobart thats going to effect the buisness in the area and hobart will die eventually and wont have no buisnesses there
Ella Hughes	Hobart, Australia	2019-05-13	It's a bit of a reach don't you think? Whether the ban comes in or not... people will smoke regardless?
Tikayshia Spencer	Australia	2019-05-13	Ivory is my favourite club.

Damian Artis	Hobart, Australia	2019-05-14	If being a minority can be considered a race then as smokers we are being discriminated against which could be considered 'racist'
wiliam ditchfield	Australia	2019-05-16	I dont want my bad habits to be dictated by the government.
