# Re: Lodgement of Petition for Hobart City Council to build a new playground across two sites on Saunders Crescent and Muree Close in South Hobart

Dear Mayor Reynolds

I am writing to you on behalf of a group of local residents in South Hobart who have formed a community group called the "Cascades Playground Collective".

The Cascades Playground Collective is calling on Hobart City Council to build a new playground across two council-owned blocks of land on Saunders Crescent and Moree Close in South Hobart.

It was lovely to meet with you earlier this year and show you the sites for our proposed playground.

The area around these vacant blocks is home for many families, but we do not have a local playground.

A new playground would be hugely beneficial to our community. It would provide the opportunity to build relationships between kids and families and help to ensure our kids can participate in active play.

Our group has prepared a petition (attached) calling on Hobart City Council to: Build a new playground across two council-owned blocks of land on Saunders Crescent and Moree Close in South Hobart.

### The action sought by our group as the petitioners is:

- Stage 1: Fund the development of a playground plan for the sites, in close consultation with local residents;
- Stage 2: Fund the construction of the playground.

I am lodging this petition with you in accordance with the *Local Government Act* 1993. Each page of the petition includes the required information and there are 53 signatories in total.

I hope that you and Hobart City Council will support our request for a new playground in our local community. To discuss our proposal, please contact either:

- Emma Green, emma.e.godden@gmail.com, 0403 467 266 or
- Fern Cadman, <u>ferncadman@yahoo.com.au</u>, 0400 354 269

Best wishes,

#### Emma Elizabeth Green
