#### 5. PUBLIC QUESTION TIME

#### 5.1 Mr Ben Lohberger - UTAS Master Plan

Mr Lohberger put the following question and was provided with the corresponding response from the Lord Mayor.

#### Question:

The much-vaunted UTAS masterplan for its move into Hobart was released last week. The accompanying Urban Design Framework booklet clearly shows major changes to the footpaths and roadway on Melville Street between Murray and Elizabeth Street (pp63-65).

The HCC has responsibility for that section of Melville Street and the HCCs Melville Street carpark also has its entrance and exit located on that same block.

Has UTAS discussed with the HCC its obvious intentions to change the layout and usage of sections of Melville Street?

And, does the HCC have any concerns about UTAS unilaterally proposing changes to the layout and use of Hobart's streets without first consulting with the HCC?

#### Response:

There has been discussions concerning the proposal for alterations to Melville Street with the Council however the Council has not agreed at this stage to any of the changes proposed.

Before any changes could occur the Council would need to consider a comprehensive assessment of the traffic and amenity consequences and that all the necessary statutory approvals were in place.

#### 6. PETITIONS
