#### 1. Report Purpose and Community Benefit

1.1. The purpose of this report is to provide the year to 31 March 2022 financial results and to seek approval for changes to the 2021-22 Estimates (budget).

#### 2. Report Summary

#### Capital Expenditure

- 4.4. As has been the case for the first two quarters, the capital works and Plant and Equipment spend to 31 March 2022 is trending behind budget.
- 4.5. Actual Plant and Equipment year to date expenditure only amounts to 6.4% of the annual budget, however the addition of committed expenditure increases this to 56%.
- 4.6. Capital works expenditure for the year is 26.8% of the annual budget, and with the inclusion of commitments this increases to 41.8%. While the addition of commitments provides a more accurate reflection of progress on capital works and Plant and Equipment purchases, some commitments may have a long lead time and therefore may not yet be incurred.

4.7. This report requests the re-allocation of capital budget funds between projects and to seeks approval to increase the capital works program by \$0.159M, namely:

  - 4.8.1. As a result this report seeks approval to defer \$19.083M of the current year capital works budget (as detailed in the following table to the following year.
- 4.9. With these changes in place, the actual year to date spend (and commitments) as a percentage of the annual budget excluding the capital to be deferred sees 63.3% of the adjusted annual budget spent as at 31 March 2022.

#### 1. Report Purpose and Community Benefit

- 1.1. The purpose of this report is to provide a listing of exemptions from the requirement to seek three written quotations granted for the period 1 January to 31 March 2022.
- 1.2. Under regulation 28(j) of the *Local Government (General) Regulations* 2015 it is a requirement for a council to establish and maintain procedures for reporting by the Chief Executive Officer to the Council in relation to the purchase of goods or services in circumstances where a public tender or quotation process is not used.
- 1.3. The community benefit is providing transparency and delivering best value for money through strategic procurement decision-making.

#### 2. Report Summary

- 2.1. At its meeting on 19 March 2018, the Council resolved, in line with legislative requirements that a report of exemptions granted from the requirement to seek three written quotes, be presented to the Finance and Governance Committee quarterly as at 31 March, 30 June, 30 September and 31 December each year.
- 2.2. A report is attached for the period 1 January to 31 March 2022.
- 2.3. It is proposed that the list of exemptions from the requirement to seek three written quotes granted for the period 1 January to 31 March 2022 be noted.

#### 3. Recommendation

That the list of exemptions granted from the requirement to seek three written quotations for the period 1 January to 31 March 2022, marked as Attachment A to this report be noted.

#### 4. Background

- 4.1. At its meeting on 19 March 2018, the Council resolved inter alia that:
  - 4.1.1. A report of exemptions granted from the requirement to seek three written quotes be presented to the Finance and Governance Committee as at 31 March, 30 June, 30 September and 31 December each year.

- 4.2. A report outlining the quotation exemption from the requirement to seek three written quotes granted during the period 1 January to 31 March 2022 is attached **refer Attachment A**.
- 4.3. As outlined in the City's Code for Tenders and Contracts (the Code) where a Council Contract does not exist the City will seek a minimum of three written quotes for procurements between \$50,000 and \$249,999.
- 4.4. There may be occasions where, for a number of reasons, quotation(s) cannot be obtained / sought from the market or where doing so would have no additional benefit to the City or the market.
- 4.5. Therefore, exemptions from the requirement to seek written quotes can be sought from the Divisional Director but only if an acceptable justification exists as outlined in the Code, as follows:
  - (a) where, in response to a prior notice, invitation to participate or invitation to tender:
    - no tenders were submitted; or
    - no tenders were submitted that conform to the essential requirements in the tender documentation;
  - (b) where the goods, services or works can be supplied only by a particular supplier and no reasonable alternative or substitute goods, services or works exist for the following reasons:
    - the requirement is for works of art;
    - the protection of patents, copyrights or other exclusive rights or proprietary information; or
    - due to an absence of market competition for technical reasons.
  - (c) for additional deliveries of goods, services or works by the original supplier that are intended either as replacement parts, extensions or continuing services for existing equipment, software or installations, where a change of supplier would result in the purchase of goods, services or works that do not meet requirements of interchangeability with existing goods, services or works:
  - (d) for goods purchased on a commodity market;
  - (e) where there is an emergency and insufficient time to seek quotes for goods, services or works required in that emergency;
  - (f) for purchases made under exceptionally advantageous conditions that only arise in the very short term, such as from unusual disposals, liquidation, bankruptcy or receivership and not for routine purchases from regular suppliers; or
  - (g) for a joint purchase of goods or services purchased with funds contributed by multiple entities, where Council is one of those entities and does not have express control of the purchasing decision.

- 4.6. For the period 1 January to 31 March there were two exemptions granted, where expenditure was between \$50,000 and \$249,999 and therefore three written quotations were required to be sought in line with the Code.
- 4.7. The first exemption was granted as a prior invitation to quote resulted in no additional quotations received. The second exemption was granted on the grounds that it was a joint purchase of goods and services purchased with funds contributed by multiple entities, where Council was one of those entities and did not have express control of the purchasing decision.

#### 5. Proposal and Implementation

- 5.1. It is proposed that the Committee note the exemption granted from the requirement to seek three written quotes for the period 1 January to 31 March 2022.
- 5.2. As outlined in the Code, quotation exemptions for a value under \$50,000, that is where one or two written quotations are required to be sought but an exemption from that requirement has been granted by the relevant Divisional Director and has been reported to the Chief Executive Officer.
- 5.3. All approvals for the exemptions from the requirement to Tender are sought and reported through the formal Committee / Council approval processes.

#### 6. Strategic Planning and Policy Considerations

- 6.1. The City's Code for Tenders and Contracts is referenced in this report as it provides a framework for best practice procurement and sets out how the City will meet its legislative obligations in respect to procurement, tendering and contracting.
- 6.2. This report is consistent with strategy 8.5.4 in the City of Hobart Capital City Strategic Plan 2019-29, being to *deliver best value for money through strategic procurement decision-making*.

#### 7. Financial Implications

- 7.1. Funding Source and Impact on Current Year Operating Result
  - 7.1.1. All expenditure noted in the attached listing of quotation exemptions granted was funded from the 2021-22 budget estimates.
- 7.2. Impact on Future Years' Financial Result
  - 7.2.1. Not applicable.
- 7.3. Asset Related Implications

#### 7.3.1. Not applicable.

#### 8. Legal, Risk and Legislative Considerations

8.1. Regulation 28 of the Local Government (General) Regulations 2015 states that the Council's Code for Tenders and Contracts must (j) establish and maintain procedures for reporting by the general manager to the council in relation to the purchase of goods or services in circumstances where a public tender or quotation process is not used.

#### 9. Delegation

9.1. This report is provided to the Finance and Governance Committee for information.

As signatory to this report, I certify that, pursuant to Section 55(1) of the Local Government Act 1993, I hold no interest, as referred to in Section 49 of the Local Government Act 1993, in matters contained in this report.

Therefore, under Council's policy a quotation was subsequently sought directly from this supplier who was the only contractor that attended the on-site quotation briefing during the RFQ process and was the only supplier who had responded to a similar RFQ released to the market earlier and performed the works on that Contract to a high standard.  There are a number of constraints and challenges with construction works of this nature, including tight access to the sites and surrounding topography. These works are also of a relatively low value. These factors have all contributing to the low level of interest from the market to perform these works. Meeting: Community, Culture and Events Meeting date: 3 March 2022

Raised by: Councillor Dutta

#### Question:

Can the Director advise how many committee meetings an elected member can miss, is there a Council policy on this?

#### Response:

The Meetings: Procedures and Guidelines Policy does not address non-attendance at council committee meetings, nor does any other Council policy.

Clause 3(1)(c) of Schedule 5 of the *Local Government Act 1993* ("the Act") states that the office of an elected member becomes vacant if the elected member is absent without leave from 3 consecutive ordinary meetings of the Council.

Section 72(1)(cc) of the Act states that a council must prepare an annual report containing a statement detailing the attendance of each councillor at meetings of the council or any council committee during the preceding financial year.

The Act and Local Government (Meeting Procedures) Regulations 2015 are otherwise silent with respect to any repercussions for non-attendance at council committee meetings.

As signatory to this report, I certify that, pursuant to Section 55(1) of the Local Government Act 1993, I hold no interest, as referred to in Section 49 of the Local Government Act 1993, in matters contained in this report.
