Hobart Parking Petition

Date: 16th July 2024

To the Lord Mayor, Elected Members and the Chief Executive Officer of the Hobart City Council, the petition of the undersigned is submitted for your attention.

State the subject matter:

Hobart small businesses and visitors to our city are suffering from current traffic management decisions, and this is only going to get worse. The City of Hobart plans to remove 59 parking spaces from Collins St in the inner CBD to make way for dual bike lanes. Collins St is not a suburban road, it is a vital part of the inner CBD.

The removal of so much on-street parking does not consider people with mobility issues, our ageing population and inadequate public transport system. Hobart's inner CBD has become a much safer place over the years with wider footpaths and less traffic lanes, but this area is still the main business district of a capital city.

State the action sought by the petitioners:

This petition is calling on the Hobart City Council to:

1. To stop current planned changes to Collins Street
2. Locate future northbound and southbound bike lanes in separate streets to minimise disruption

Total number of signatories to the petition: 2,231

Please Note: To be a valid petition:

The full printed name, address and signature of the person lodging the petition must be provided.

Name: Edwin Johnstone

Postal Address: 83 Salamanca Place, Battery Point TAS 7004

Petition Declaration:

This Petition was originally published on the website www.change.org/savehobartcbd on the 30th May 2024.

The signatures to this electronic petition are attached to this document and have been downloaded from the change.org website.

The subject matter and the action sought has not been changed since the Petition was originally published on the 30th May 2024.

Signature:

Elected Member Use Only: As presented to Council by Alderman/Councillor Signed:.....
