## **Summary of activities**

The Mission for Scouting is to contribute to the education of young people, through a value system based on the Scout Promise and Law, to help build a better world where people are self-fulfilled as individuals and play a constructive role in society. This is achieved by Involving them throughout their formative years in a non-formal educational process. Using a specific method that makes each individual the principal agent in his or her development as a self-reliant, supportive, responsible, and committed person. Assisting them to establish a value system based upon spiritual, social, and personal principles as expressed in the Promise and Law.

# Sandy Bay Scout Hall – additional information

- (e) a summary of the:
  - (i) intended use of the Hall;
  - (ii) level of community benefit of Scouts Tasmania;
  - (iii) alignment of Scouts Tasmania with the Council's Strategic Plan;
  - (iv) Scouts Tasmania's capacity to pay rent; and
- (f) the length of tenure being sought.

#### Intended use of the hall.

The Sandy Bay Scout Group uses the hall to run Scout Group activities for youth members aged 5 through to 18 years of age. This program develops self confidence, leadership, outdoor skills and civic responsibility through youth leadership supported by adults. We currently run three sections (Cubs, Scouts, and Venturers) with weekly/fortnightly meeting nights depending on adult volunteer availability, and the hall also stores gear for our various outdoor activities.

Beyond Scout Group activity, we are also in the process of developing ties with local business and community - for now we have a friendly arrangement with the Hobart Twilight Market to help store their trailer and other items - and over time we'd like to help manage the hall towards availability as a community resource when it's not being used for Scouting activities.

## **Community Benefit**

The Sandy Bay Scout Hall has been home to Sandy Bay Scout Group for over 50 years - our members both youth and parents represent generations who've been involved in the Scouts. Currently providing youth activities for 35 youth in the area, the young people who go through our programme develop into strong community participants and leaders.

We also appreciate the recent joint investment in the Hall by Council and the Scout Group - between us renewing the electrical and plumbing of the Hall, and would hope with appropriate effort the hall can be developed into a community asset for other activities alongside Scouting.

## Alignment with Council Strategic Plan

Sandy Bay Scout Group activities align strongly with many aspects of the <u>Council Strategic Plan</u>.

#### Pillar 1 - Sense of place

SBSG's history and heritage, and the hall itself are a long standing part of Lower Sandy Bay. The activities we undertake are deeply rooted in the history of this city, and its natural environment.

## Pillar 2 - Community inclusion, participation and belonging

SBSG is a community of volunteers (typically parents of the youth), coming together to create a shared experience for our youth members. We represent a wide range of values and experiences, and the group itself is accessible to families of all incomes and means.

#### Pillar 6 - Natural environment

Scouts has many outdoor activities as part of its focus, and that provides our youth members an avenue to understand, appreciate, make use of, and protect the natural environment that makes Hobart such a wonderful place to live.

## **Scouts Capacity to Pay Rent**

Scouts is a not for profit organisation, and the Sandy Bay Scout Group generally runs either break even, or at a slight loss. Our income is primarily comprised of yearly levies and community fundraising, and our outgoings include insurance, hall utilities and maintenance, and gear for our activity programs.

We are sustained entirely by the generous volunteer labour of our members, and our ability to run a youth program and grow sustainably would be significant curtailed by a high rental cost - and also impact our ability to retain members in financial hardship.

## Length of Tenure being sought

Sandy Bay Scout Group has deep roots in this hall, as previously stated it's been our home for over 50 years. While the Group ebbs and flows as our volunteers come and go, we are growing our youth membership and building the hall's viability as a community resource over the coming years. Stability provides support to that endeavour and we would welcome the longest duration Council deems suitable for this kind of community resource.
