

Petition

Date: 27/2/22

To the Lord Mayor, Elected Members and the Chief Executive Officer of the Hobart City Council, the petition of the undersigned is submitted for your attention. State the subject matter: TAS Network decided to move the old concrete based high voltage transformer that sits on the corner of the 32 pillinger st, Dynnyrne, Hobart to hanging on a new proposed 7m high concrete electricity pole on the narrow footpath of the pillinger st State the action sought by the petitioners: Request the Hobart City Council to withdraw the approval and reject TASNetwork's plan 1. Serious safety concerns for hanging such a big heavy transformer overhead on the footpath 2.Destroy Hobart's unspoiled landscape, geo heritage value, devalue the whole community Please scan & email to: lord.mayor@hobartcity.com.au cr.Reynolds@hobartcity.com.au Total number of signatories to the petition Please Note: To be a valid petition: The full printed name, address and signature of the person lodging the petition must be provided.
